

## Transportation Improvements – Florida at Work

## Dickens Avenue/Byron Avenue, City of Miami Beach

## **Project Summary**

Dickens Avenue/Byron Avenue from 71<sup>st</sup> Street to 87<sup>th</sup> Terrace is classified as an urban collector roadway located in the North Beach neighborhood in the City of Miami Beach. This roadway is part of the major network of roadways throughout the North Beach neighborhood and connects to Indian Creek Drive, which is another ARRA funded project. It provides connections to important travel destinations, such as the North Shore Youth Center, the Biscayne Elementary School, Yeshiva Elementary School, Park View Park, and Tatum Park. Construction work will include milling and resurfacing, striping, and pavement markings.

## Fast Facts

This project will provide operational improvements along this urban collector corridor.
